

Edward Hansol Kim

Software Engineer

(646) 291.9240 | hansol030391@gmail.com

Queens, NY | portfolio.com | [LinkedIn](#)

I'm a software engineer with a background in hospitality, passionate about crafting intuitive, user-centered web applications. With a sharp eye for detail and a service-first mindset, I create digital experiences that go beyond function to deliver meaning. At the intersection of empathy and technology, I aim to bring comfort and clarity through every interaction.

Skills

- Languages & Frameworks: JavaScript, HTML, CSS, React.js, Node.js, Express.js, Python, Django
- Databases: MongoDB, PostgreSQL
- Tools & Platforms: Git, GitHub, VS Code, Postman, Netlify, Heroku
- Other: REST API, JWT Authentication
- Languages: Fluent in Korean and English

Professional Experience

Software Engineer Fellow | General Assembly | Remote | Dec 2024 – Mar 2025

- Completed a 12-week immersive software engineering program.
- Built 4 full-stack applications, focusing on both front-end and back-end.
- Collaborated in Agile teams, practiced pair programming and code reviews.

Projects:

Learning Tracker App React | Express | MongoDB |

- Developed an app for users to log and visualize their study sessions.
- Integrated interactive charts to display progress using Chart.js.
- Focused on clean UX and mobile-first design.

Soccer League Simulator Django | Python | PostgreSQL | JavaScript | HTML/CSS

- Created a soccer league simulator web app that allows users to select 19 teams from top European leagues and simulate a season.
- Developed custom logic in Django to generate match results, standings, and league tables.
- Implemented CRUD features for user created players.
- Designed a responsive UI for team selection and dynamic season progression.
- Utilized PostgreSQL for persistent data and efficient querying.

Barista / Training Manager Coffee Monster | Flushing, NY | Aug 2021 – Aug 2023

- Managed inventory and trained new staff, improving team efficiency.
- Delivered consistent customer experience and handled fast paced service operations.

Tour Guide Las Vegas Mania | Las Vegas, NV | Jan 2017 – Mar 2018

- Led tours across Las Vegas and Grand Canyon, delivering engaging presentations.
- Developed strong communication and organizational skills.

Education

Software Bootcamp | General Assembly | Remote

Dec. 2024 - Mar. 2025

480+ hours of hands-on coding, covering full-stack web development, databases, and deployment.

Cyber Security Certificate | Google | Remote

Feb. 2024

Hospitality | University of Nevada, Las Vegas | Las Vegas

Aug. 2010 - Aug. 2017

LEADERSHIP

- Board Member, UNLV Korean Student Association (2014 – 2015)
- Worship Leader and Board Member, Areumdawoon Church College Dept. (2015 – 2017)
- Young Adult Board Member, Korean Church of Queens (2022 – Present)
